Gruntilda's Debut

Gruntilda's Debut

>(at least in Crystal Ken and Yoshette's World)

>One day, Banjo and Kazooie were relaxing on the beach with
Tooty,
their friend, Bottles, and the mysterious shaman, Mumbo
Jumbo.

>
Mumbo: Banjo and filthy-feathered one defeated Grunty. What will

>you do now?

>Banjo: Gruntilda said she'd be back, but how could she get Klungo
to
lift that huge rock off of her?

>
*Near Spiral Mountain, Klungo is still trying to get that huge
rock

>of Gruntilda*

>Grunty: Stand back Klungo, I won't pout. I'll use my spells and
blow
that rock out.

>
*She manages to get the rock off her, and hurries towards her
lair, and to her crystal ball*

>
Grunty: Ugly bear and bird will pay. My revenge begins today.

Once I

>get Tooty back, I'll give their butts a whack.

>*Dingpot is worried that he'll have to work for Gruntilda again*

>Grunty: Dingpot, you stupid fool! Why are you here keeping
your
cool?! I need you to find Tooty, so I can finally steal her
beauty.

>
Dingpot: *thinking* If Grunty wants Tooty again, I'll find
someone that looks

>like her and say that it's Tooty in disguise.

>Grunty: Come on, you stupid pot! Or in Bubblegloop Swamp you'll rot.

>Dingpot: She is in disguise in a world not far from here. Here is

what
she looks like. *Dingpot shows Grunty a pic of Yoshette, who looks a
>lot like Tooty.
>Grunty: You're mine now Tooty, my plans never fail. Soon I'll cut off
your pig-tails! Come here broomstick, I need you fast! Soon I'll be
>beautiful, and Tooty won't last. Klungo, unhitch the Rusty Bucket ship.
We will be taking a little trip.
>
*Meanwhile, in Crystal Ken's and Yoshette's World, Ken and his
>friends are relaxing on the beach*
>Yoshida: This is the life. No bad guys to pester us, and we finally get
the break we deserved.
>
Yoshella: What about it? I like action. This peaceful life stinks.
>
Suddenly, oily water washes up on the beach
>Yoshina: Something's not right here, guys. Where did this oily water
>come from? There are no ships out there, and it's not mud.

>Grunty: Klungo, I'll be chasing after Tooty. You keep an eye on my
booty. If my machine gets damaged, I'll be in a fit. And you definitely
>don't want to see it.
>*Grunty leaves on her new broomstick, since the Jinjos destroyed her
last one in Banjo-Kazooie. On the beach, Yoshira notices something on
>the water really far off and heading for land real fast*

>Yoshira: Guys, is it me, or do you see a ship off the beach?

>Yoshio: I see it too. But that's not all I see. Look!

>Yoshiha: Who the heck is that? We haven't seen a person like her
before.
>
*Meanwhile, back on the beach where Banjo, Kazooie and Tooty
>were, Mumbo runs towards them in a panic*
>Banjo: What's wrong, Mumbo?
>Mumbo: Ugly witch escaped from rock and is headed towards a world
populated by mushrooms and multicolored dinosaurs.
>
Tooty: I thought she was trapped under there. Now she's going to
>come after me again.
>Mumbo: No. Grunty's cauldron tricked her into thinking that you were
in disguise in another world.
>
Banjo: Okay then. There's only one world that has both mushrooms and
>dinosaurs living there. Crystal Ken's and Yoshette's World, and I think
I know what happened. Dingpot tricked Gruntilda into thinking
>Yoshette was really Tooty in disguise, so she left and went there.

>Bottles: Well, I think Banjo's right, because the Rusty Bucket is gone,
and so is that ugly machine.
>
Kazooie: How do you know that's where Gruntilda went, Banjo?
>
Banjo: Well, I was on Timber's Island, battling against Wizpig with

>Diddy, Conker, and TipTup, and Diddy tricked him into going
going
there. That's when we met Yoshette, the queen, and her friends.

>
Tooty: Banjo, I think you totally lost us.

>
Banjo: Well, let's just say if Gruntilda finds out that Yoshette's not

>you, she'll come back looking for you. Until we trap her under that
rock again, she'll terrorize the entire world.

>
Mumbo: Mumbo transport you there. I will find witch's good sister,

>Brentilda, and will send her to help you.

>Tooty: Banjo, you said that we'd go on an adventure. You owe me.

>Banjo: Okay then. The three of us are in this together.

>*Mumbo raises his wand, and transports them to Crystal Ken's and
Yoshette's World. They start looking for Yoshette and the others.

>All of them are on the beach, except for Yoshette, who is shopping
in Mushroom Kingdom*

>
Grunty: There she is, that girl named Tooty. She better be ready,

>cause I'm stealing her beauty.

>Yoshette: What the heck? Who is that?

>Grunty: All right then, you're coming with me. When I'm finished with
you, you'll be as green as me.

>
Yoshette: News flash, I am green. And who are you anyway? *she

>questions Grunty while being carried off by her*

>Grunty: Don't play dumb, you know who I am. Don't start that or you'll
be glazed ham.

>
Yoshette: Let's get a few things straight. One, Wizpig's a ham, and

>two, I glazed him myself, so you don't know who you're dealing with.

>Grunty: Oh really, you stupid girl. Then let's see if you can give me a
whirl.

>
Yoshette grabs her locket and holds it out

>
Yoshette: Yoshette's Cosmic Power!

>
*She transforms into Sailor Yoshette unnoticed while Grunty is on

>her way back to the Rusty Bucket, when she notices that Koopa's
Keep is empty. She decides that if this girl she has wasn't Tooty,

>she'd have a little fun with her*

>Grunty: Klungo, move the ship to the north. I've found a place that
could settle us both.

>
Klungo: Yesss Missstressss.

>
On the beach, Ken is worried about Yoshette

>
Ken: You know what guys. Yoshette is usually late, but this is beyond

>late. I think something's wrong. She's never this late, without a good
reason.

>
Yoshina: Well. she sometimes acts like a total meat-ball head.

>
Yoshida: Yoshina, you think she's a ditz just because she's leader, and

>you're not.

>*Yoshida and Yoshina start going at each other*

>Ken: That's it. While you two go at it, I'm gonna find

Yoshette.
runs off to find Yoshette

>
Yoshima: Ken wait. Look at Koopa's Keep.

>
The face changes to Gruntilda's ugly mug

>
Ken: Something's up, and I have a bad feeling Yoshette's in trouble.

>See you guys later.

>*He transforms into Tuxedo Ken and runs off to the now-transformed
into Grunty's Keep*

>
Grunty: What the heck, this cannot be. You're not that girl Tooty.

>
Sailor Yoshette: Well duh, you old hag! Now let me go, or I'll blast you to dust. I am Sailor Yoshette, the champion of justice. On behalf
of this world, I will right wrongs, and triumph over evil, and you're

>the ugliest evil to hit this world.

>Grunty: What? How dare you, you little girl. Now you're the one who's
taking a whirl.

>
She casts a spell to trap Sailor Yoshette in a whirlwind

>
Sailor Yoshette: Someone help me! She's too strong!

>
A rose flies at Gruntilda's hands

>
Grunty: Who the heck might you be? I'm having fun with her, can't you see?

>Tuxedo Ken: I am Tuxedo Ken, protector of Sailor Yoshette and the
other Sailor Yoshies. You abused the protector of this world. This

>will not be permitted. I challenge you.

>*Gruntilda takes her spell off Sailor Yoshette and tries to use it on
Tuxedo Ken*

>
Tuxedo Ken: Now Sailor Yoshette!

>
Sailor Yoshette: Right. Yoshette's Spiral Heart Attack!

*Gruntilda

>escapes before the attack hits her*

>Grunty: Ha ha ha, you can't hurt me. I'll be waiting here, and when
you see me, I'll be as beautiful as can be.

>
*Sailor Yoshette and Tuxedo Ken go back to the others, where

>three people were waiting*

>Ken: Banjo, what are you doing here?

>Banjo: We're here to try and trap Gruntilda under the rock again.

>Yoshette: Again? And does Gruntilda have a pointed hat?

>Tooty: Gruntilda kidnapped me, and in the battle against her, Banjo
and Kazooie trapped her under a rock. But she escaped, and I heard a

>rumor that Dingpot told her to come after you.

>Yoshette: Banjo, who are your friends?

>Banjo: In my backpack is Kazooie, a Red-Crested Breegull, and this is my sister, Tooty.

>Yoshelle: Welcome to Crystal Ken's and Yoshette's World. We'll help
you until Gruntilda's under that rock again. *They all agree to be

>friends, and to stop Gruntilda*
